

I, the undersigned employee working at Hexaware Technologies Limited ("Company"), confirm that by signing this undertaking I agree to comply with the following guidelines. I understand that any violation of this undertaking may lead to disciplinary action, including immediate termination of my employment with the Company.

- I will not use any personal device except the laptop assigned to me by the Company to access the client environment.
- I will not share password or credentials or RSA Passcode with anyone by any means, including through orally / in writing / mail / Chat / collaboration tools / sites etc.
- I will not store / save / write-down password or credentials in readable / clear text format.
- I will not make use of credentials or passwords of another person.
- I will not send any email from client environment to Hexaware or Personal email.
- I will not send / download / upload any client data (whether the data is sensitive or not) from client environment to Personal / Hexaware computer or any other location.
- I will not use any AI tools like ChatGPT, Gemini, etc. in the client environment without appropriate approval from the client.
- I will not access any website without a legitimate business purpose and appropriate client approval.
- I will not access social media platforms or personal email in the client environment.
- I will not configure client mailbox in my Personal/Hexaware computer. I will access them only using client VDI/environment.
- I will not access any folders / sites / resources in client environment which are not assigned to me. In case of any requirements, I understand that I need to get client approval.
- I acknowledge that protecting client & Hexaware Data is a legal obligation and hence will never do anything that would compromise data security.
- I will connect to client environment only from Hexaware approved locations (India, US, and Mexico) using Hexaware provided laptop.
- I will comply with the Hexaware Employee code of conduct, user security responsibilities and Acceptable usage Policies.
- I will comply with Data Privacy and Data Security Policies of the Company and its clients.
- I confirm that I have read and understood client's Information Security Management guide and I confirm that I will adhere to it.

In case of violations to the above scenario(s) I observed or come across then I will raise a security incident in AskGenie and report it to securityincidents@hexaware.com.

This undertaking shall remain in effect for the duration of my employment with the Company, unless otherwise agreed upon in writing by both parties.

I hereby acknowledge that I have read and understood the terms of this undertaking, and I willingly and voluntarily agree to abide by them.
